

Current speeds and policies of Pasty.NET wireless broadband Summer 2019

Pasty.NET has been serving broadband to remote areas “off-the-grid” since 2001. This project has been a cooperative effort with its members to build an infrastructure of wireless links to blanket rural areas, such as Keweenaw County, which now has Pasty.NET coverage to more than 70% of the County’s population*.

Except for some members grandfathered under the previous data-limited offerings, all new connections are free from any data caps, at the following residential speeds where available:

4 mbps download	1 mbps upload	\$59/month
12 mbps download	2 mbps upload	\$69/month
25 mbps download	4 mbps upload	\$99/month

- 1 – Unlimited data residential offerings, call or text for commercial tiers and prices (906-289-8068)
- 2 – New service installation of modem** \$79+tax, routers available at additional cost
- 3 – Seasonal members may suspend one time annually, with a \$25 reconnect fee
- 4 – Full time members receive one month free with annual payment in advance
- 5 – Most members are paperless with cc autopay or automatic bank draft. \$1.50 fee for printed statements
- 6 – Pasty.NET is a best-effort service. See acceptable use policy and privacy policy at www.pasty.net
